## Certificate III in

# CIVIL FOUNDATIONS

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

## ADVANCE YOUR CAREER

Want to get your hands dirty and stay away from a life spent in an office? Then a civil industry might just be for you.

Is a nationally recognised course. You'll learn a broad range of skills relevant to general civil construction, occupations and large-scale infrastructure projects. As well as develop capabilities in infrastructure building site preparation which will offer many different career options in the industry.

This course meets the technical requirements for **Foundation Work, (piling and anchors) licence** with QBCC.

Entry requirements for this course is that you must be currently employed in the industry.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

## FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us [info@fta.edu.au](mailto:info@fta.edu.au) or 1300 990 064.

### YOUR CAREER REALISED
