

CPC10120 Certificate I in CONSTRUCTION

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

BUILD YOUR CAREER

Gain the fundamental job-ready skills and better your chances at landing an Apprenticeship in the construction industry. This nationally recognised qualification covers the basics of working in construction and will show employers you're serious about your career.

This course covers essential workplace health and safety requirements, and teaches you the necessary skills and use of construction tools and equipment, reading and interpreting plans, making measurements and calculations and communicating in the workplace.

There are no entry requirements for this course.

BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals.
