# Advanced Diploma of **BUILDING AND CONSTRUCTION** (Management)

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

## BUILD YOUR CAREER

This program is designed to meet the needs of senior managers within the building and construction industry who are seeking to obtain a Queensland Building and Construction (QBCC) Builder Open licence.

You will gain the advanced expertise necessary to provide advisory, administrative and management services for the construction of a range of building projects, including high-rise and complex structures.

This course meets the technical requirements for a **Builder (Open) Licence with QBCC**.

Entry requirements for this course is that you must be currently employed in the industry.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

## FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us [info@fta.edu.au](mailto:info@fta.edu.au) or 1300 990 064.
