# Certificate III in CIVIL CONSTRUCTION (General)

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

## PAVE YOUR CAREER

The RII30920 Certificate III in Civil Construction (General) provides learners with the foundational skills and knowledge required to work across a range of roles within the civil construction industry. Covering a broad scope of competencies—including workplace safety, operational techniques, and equipment handling—this qualification equips learners to confidently undertake general civil construction tasks.

This course is ideal for individuals seeking entry-level roles or those looking to enhance their skills and capabilities within the industry. It has a strong focus on practical, real-world training that aligns with current industry standards and safety requirements.

Graduates will be well prepared for careers in roadworks, drainage, and other civil infrastructure projects.

Entry requirement: You must be currently employed in the civil construction industry to enrol in this course.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

## FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us [info@fta.edu.au](mailto:info@fta.edu.au) or 1300 990 064.

### YOUR CAREER REALISED
