# QLDLSCSQ01 Queensland Builder LOW RISE SITE SUPERVISOR

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

## ELEVATE YOUR CONSTRUCTION CAREER

The Queensland Builder – Low Rise Site Supervisor course is designed to equip aspiring site supervisors with the comprehensive skills and knowledge required to lead teams, manage construction projects, and ensure compliance with industry standards.

This course covers a wide range of critical areas, including leadership and supervision, work health and safety management, legal and regulatory requirements, structural principles, and the application of building codes and standards across various building classes.

Entry requirement: You must be currently employed in the construction industry to enrol in this course.

## BENEFITS

Pave your way with recognised qualification for greater career opportunities.

Achieve your goals with real world experience while you earn and train on site.

Mentorship from highly qualified trainers

## FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us [info@fta.edu.au](mailto:info@fta.edu.au) or 1300 990 064.
